UICOMP Caterpillar Faculty Scholars
Medical Education Resources Session
January 24th, 2017 1:15PM
Location: Library Learning Lab, UICOMP

Objectives:
1. Review primary sources and educational materials for Medical Education
2. Evaluate learning objects presented within MedEd Portal and iCollaborative

Agenda
1. Introductions
2. Review of Medical Education Resources
3. Activity & Discussion
4. Individual Consultations (Optional)

Resources Links available at: http://researchguides.uic.edu/CatScholars/MedEd

Activity:
1. Seek one learning object from MedEd Portal or iCollaborative on a topic of interest to you.
2. Use the “Evaluating Educational Scholarship” worksheet in this packet to guide your evaluation of the educational content for your needs.
3. Report out to the group our observations on the learning object and tool for evaluation.
